Practise using 'Look, Say, Cover, Write and Check' Try and practise every day. Good Luck 😊

Note for parents: We are teaching spelling using the Look, Say, Cover, Write and Check method. Children should look at the word first and then say the word. The word should then be covered and written. Next uncover the word and check that it is spelt correctly. We recommend that children complete this exercise on a daily basis, rather than all at once. Children will be tested every Friday.

## Sentence challenge

If you would like to, practise writing each word in a sentence.
