19.04.24

Dear all,

It has been a busy first two weeks back in school but the children have all settled back in wonderfully, after the Easter break.

We hope all of the families who celebrated Eid last week had an amazing celebration. It was lovely to hear the children's stories about how they celebrated the special festival!

Year 3 had a very special visitor last week! Professor Black came in to talk about Ancient Egypt. Professor Black knew so much information and had so many wonderful stories and facts to tell the children (as well as playing some fun games!) A very big thank you to the Hurst Green PTA for funding this experience for our children.

This week Mr Lander ran two phonics workshops for Year 1 parents to discuss the arrangements for the phonics screenings and ways to support the children at home. Thank you to everybody who came, we hope you found it useful.

All Dudley parents have been advised now of the school their child has been offered for Reception - September 2024. If you have a child starting with us in September we will be in contact as soon as possible. Year 4 visited Tamworth Castle on Wednesday where they took part in a Saxon & Viking Soldier workshop in the Great Hall, an Archaeology workshop in the Townsend Room and then took a tour around the rest of the castle!

Hopefully the weather will improve as we approach the summer months. Have a lovely weekend everybody!

Well done to the boys football team who played two matches this Monday after school. They won 2-0 against St Kenelms and were unlucky to lose 1-0 to Lutley. They played well in both games. Well done to all the boys who played and to Mr Tinsley for coaching!
