

Summer Term in Year 1

Welcome to the summer term. As the weather becomes warmer, please ensure that your child has a water bottle in school every day. With our unpredictable British weather, we ask that you send your child in appropriate clothing for chilly, wet, or sunny days. When it is sunny, we ask the children to wear sun hats rather than sun glasses for safety whilst playing outside.

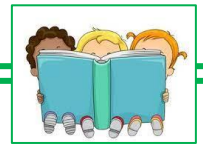

Topic

Our topic for the Summer Term is Travel and Transport. We will be investigate how travel has changed through history. We will be learning about different types of transport and find out about Amelia Earhart, the first female aviator to fly solo across the Atlantic Ocean. We will also be visiting the Black Country Living Museum to look at real artifacts to support our learning.

Science

In science, our topic is plants. We will find out about plants, trees and flowers and grow our own bean plants.

Reading

Children will continue to read three times a week at school. These books will then be available to read at home on Collins e-books.

After the Easter break, we will be organising books to send home. More information will follow.

PE PE this term will continue to be on

Thursdays. Please send children into school in their PE kit, jogging bottoms or suitable shorts and T-shirt as the weather becomes warmer.

Long hair should be tied up and earrings taken out.

Forest Time Forest time will continue to be on a Wednesday. Please send your child with wellies, leggings or joggers and a long-sleeved top.

Milk

If you would like to order milk for your child to drink at break time, please order online.

Phonics

Please look out for useful resources on our school website to support your child for the upcoming phonics screening.

Thank you for your continued support.
