

Year 4 Curriculum Letter Summer 2024

Dear Parents,

Welcome back after the Easter break, ready for our final term of the school year. Once again, we are really pleased with how sensibly the children have come into school and are looking forward to all the lovely activities planned for this term!

Times tables will be checked through clubs each week. Please practise times tables with your children regularly as it supports them in all aspects of the maths curriculum. There is a copy of times tables in their planners and Times Table Rock Stars is a fun way to practise also. The 'sound check' game allows children to practise their tables in the same format as the statutory test which will be later this term.

Please ensure your child has their reading book and planner in school every day as they use it to access their passwords and collect their gold and silver stars.

We will continue to have a snack before or after break time each day. Please provide your child with a healthy snack (no sweets/chocolate please) and water bottle each day.

P.E.

P.E will take place on Tuesday and Wednesday. Please ensure your child comes to school on those days in their PE kit or joggers, sweatshirt/tracksuit (to keep warm) and trainers.

For the safety of all children, we ask that jewellery, particularly earrings, are not worn on PE days. All jewellery must be removed before P.E. Long hair should be tied back. If your child is unable to do P.E. for any reason, please let the class teacher know.
