Summer weather

As the weather gets warmer

and we will be spending more time

outside, it is really important to keep the children healthy and safe.

Please send your child to school with a **sun hat** every day.

Remember to pop their name inside.

It would also be a good idea to **apply sunscreen to your child before school** on very sunny days.

And remember to send in that all-important **water bottle**. Your child can refill it in school.

Finally, please please please **write your child's name inside their jumper or cardigan**. Lots of children take them off at this time of year and they all look the same! It is impossible to reunite them with their owners without a name label.

Thank you so much.
