1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school’s legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in.
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the head teacher, who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
 - Limiting any items with distinctive characteristics where possible and making it clear to parents that all branded items of uniform are entirely optional.
 - Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
 - Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
 - Avoiding specific requirements for items pupils could wear/use on non-school days, such as coats, and bags
 - Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
 - Keeping different uniform requirements for different year groups to a minimum
 - Avoiding different uniform requirements for extra-curricular activities
 - Making sure that arrangements are in place for parents to acquire second-hand uniform items
 - Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

4.6 Expectations for Jewellery

Earrings

- For health and safety reasons, only small, stud earrings can be worn to school on days where children are not taking part in PE lessons. No hoops or dangling earrings are allowed.
- On PE days, children should not wear earrings to school unless they are able to remove the earrings themselves. Staff will not be permitted to remove earrings for the children.
- During the period immediately after piercing (6-8 weeks), pupils will be allowed to cover earrings in medical tape to take part in PE. Children will need to apply this tape themselves and school staff will not be permitted to help. After this period, earrings should be removed as above.
- It is recommended that parents have their children's ears pierced for the first time at the beginning of the summer holidays, thus allowing time for the ears to heal properly.

Watches and other jewellery

- No bracelets, brooches, or necklaces to be worn in school at any time. This includes jewellery worn under school uniform.
- School award pin badges can be worn on the tie.
- Children may wear watches to school, but they must be named on the back. Watches must be a simple analogue or digital watch and must not have the capacity to take pictures or photographs, or to make calls or send messages.
- If a child wears any other jewellery to school, they will be asked to remove it and put it somewhere safe until the end of the day. Parents will be reminded of this jewellery policy.
- Please note - the school will not take responsibility for any items of jewellery worn to school, whether they are allowed by this policy or not. All jewellery remains the responsibility of the child whilst they are in school.

4.7 Make up/Nail Varnish

Nail varnish and make up should not be worn to school under any circumstances. Children wearing make up will be asked to wash/wipe it off. Nail varnish will be expected to be removed before the next day.

4.8 Uniform Exceptions

- As stated in the school uniform policy, the only exception to this policy is items of jewellery worn for religious significance. However, this must be agreed by the Headteacher.

Our school has a commitment to value pupils' religious freedoms, gender expression, disability equality and cultural diversity, so will consider flexibility to this uniform code on a case-by-case basis but may need to deny some requests on the grounds of health and safety.

4.9 Where to purchase our uniform

Apart from the tie, all items of uniform can be purchased widely from high street retailers.

Our optional branded items can be purchased from:

5. Expectations for our school community

5.1 Pupils

Pupils are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- On the school premises
- Travelling to and from school
- At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required)

Pupils are also expected to contact the head teacher if they want to request an amendment to the uniform policy in relation to their protected characteristics.

5.2 Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is clearly labelled with the child's name.

Parents are also expected to contact the head teacher if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics
- The cost of the uniform

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be:

- Resolved locally
- Dealt with in accordance with our school's complaints policy

The school will work closely with parents to arrive at a mutually acceptable outcome.

5.3 Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but will follow up with the headteacher if the situation does not improve.

Ongoing breaches of our uniform policy will be followed up with parents by the headteacher.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

5.4 Governors

The governing board will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils

The Governing Body will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts.
