Maths (20 mins)

Play [BBC game Guardians Defenders of Mathematica](#) with brand-new updates to practise your KS2 maths skills.

Put your maths knowledge to the test and help your Guardian defend the Kingdom of Mathematica. In this new update, you can get instant feedback and see correct answers when mistakes are made to help you learn as you play.

If you find a topic tricky, follow the new in-game links to explore helpful Bitesize pages to build your confidence before jumping back into battle.

Can you conquer all shield levels? For the bravest of warriors, a secret award awaits you!

Explore the Kingdom of Mathematica and sharpen your maths skills! From measurements to subtraction, multiplication to algebra, battle to save Mathematica before it's too late!
