English (20-30 mins)

A Heatwave Adventure!

Imagine it is the hottest day ever in England. You step outside and discover something very unusual...

A giant ice cube has appeared in your garden!

Inside the ice cube is a mysterious object.

Your Tasks

1. Describe the Ice Cube (5–10 minutes)

Write **3–5 sentences** describing the giant ice cube.

Think about:

- What does it look like?
- How does it feel?
- What sounds can you hear as it melts?

Challenge Vocabulary:

sparkling, glistening, freezing, enormous, dripping, crystal-clear

Sentence Starter:

The enormous ice cube stood in my garden like...

2. What Is Inside? (10–15 minutes)

Write a short paragraph explaining:

- What is trapped inside the ice cube?
- Why is it there?
- What happens when the ice melts?

You could choose:

- A treasure chest
- A baby dragon
- A time machine
- A mysterious key
- Your own idea!

Remember to include:

✓ Capital letters

✓ Full stops

✓ Interesting adjectives

Challenge:

Use one of these conjunctions:

- because
- when
- although
- while

3. Hot Weather Word Hunt (5 minutes)

Can you find and write down **five words** that describe hot weather?

Example:

- scorching
- blazing

Try to think of your own!

Challenge:

Use two of your words in a sentence.
