New leadership
roles in school

My Happy Mind!

New pupil roles
established

New Values

Respect

We believe in treating everyone with dignity, kindness, and understanding, regardless of their background, abilities, or beliefs, and we celebrate our individual differences.

Compassion

We approach each child and family with empathy, kindness, and a genuine desire to support their well-being and growth. We strive to create a caring and compassionate community where everyone feels heard, understood, and valued.

New Values

Equity

We are dedicated to ensuring that all children have equal opportunities to learn, grow and thrive, and we work tirelessly to remove any barriers to their success.

Aspiration

We have high expectations for our children: we inspire them to strive for excellence. We encourage everyone to set ambitious goals, challenge themselves, and reach their full potential.

New Values

Collaboration

We believe in working together as a team - staff, children, families, and the wider community - to support each child's development and create a positive, enriching learning environment of cooperation and shared responsibility.

Responsibility

We foster a sense of personal and social responsibility in our children, helping them to become active, engaged, and conscientious members of our school, our community and wider society.

How Can You Support?

- Get involved in school life - volunteer for trips, hearing readers etc.
- Join the PTA!! Join the committee or help out with event organisation
 - support us with learning at home, especially reading
- Come to use with issues – always try to resolve with class teacher – my door is always open
 - Use your skills and experience in school!
- Fundraising: ASDA Cashpot App. Keep your eye out for support your employers can give
 - Always assume that we all have a common goal – for your children to thrive
- Trust me to do what's best for the school and the children, even if you don't always agree!
 - Give us your suggestions and views

Thank you for
