## Freedom of Information Policy for Schools

### Legal Obligations

Section 1 of the Freedom of Information Act 2000 gives a general right of access from 1<sup>st</sup> January 2005 to recorded information held by **Hurst Green Primary School**, subject to certain conditions and exemptions contained in the Act. Simply, any person making a request for information to the School is entitled:

- To be informed in writing whether the School holds the information of the description specified in the request; and
- If the School holds the information to have that information communicated to them.

If the School holds the information it must provide it, subject to certain conditions and exemptions.

The School will ensure that procedures and systems are in place to facilitate access by the public to recorded information and to this end, the School has adopted the Policy as specified below.

### Scope of the Policy

- Ensure that all staff acting on Hurst Green Primary School's behalf understand their responsibilities regarding access to information under the Act, and that they receive the appropriate training/instruction and supervision so that they carry these duties out effectively and consistently and are given access to information,
- Ensure that staff are aware of the Freedom of Information Policy;

- Review this policy annually to ensure that it is still relevant, efficient and effective;
- The Policy and Procedure will be made available in other formats where necessary.
